Legislative Proposals for 2015

Veterans Accruals – To afford veterans with combat experience the ability to utilize additional leave under the Military Law. Specific to use for personal reasons related to combat.

Probationary Termination – Develop a mechanism to appeal a probationary termination other than the current 4.5 exit process. Establish a neutral party and/or panel to look at the facts of the matter as oppose to the sole appointing authority.

Both issues are being addressed in this legislative session and will continued to be developed.
