To The Members:

I am pleased to announce that the New York State Assembly and the New York State Senate, in their new Budget Bills, have restored funding to all of those facilities that were in danger of closing: Camp Pharsalia, Mount McGregor (Camp), Watertown SHU, Groveland Annex, Greene SHU and the Fulton Work Release Facility. I am pleased that our hard work has convinced the legislature to restore these funds.

Now is the time that we must put pressure on the Governor's office to see that he supports the legislature's budget recommendations.
