RE: **Maternity Uniforms**

On Thursday, July 28, 2005, Bernetta Calderone, Diane Davis, myself and Hinman Straub attorney, Carin Cardinale, met with Lucien Leclaire and Peter Brown, of the Department of Correctional Services, regarding maternity uniforms for female officers.

As a result of this meeting, our pregnant members will now have full class A, B and C uniforms available upon request. In line with this award, Directive 3083 will be revised.

The Women's Committee of NYSCOPBA is pleased that our pregnant female officers will now present a professional appearance.

In unity,

Deborah Morrison
Women's Committee Secretary
