Inconvenience Pay Update

March 22, 2007

The Paybill has been introduced by Senator M. Nozzolio # S.3945 and Assemblyman J. Aubry; co-sponsor P. Abode # A.6848.

On March 21, 2007 at approximately 1:00 pm, I met with NYS Comptroller Tom DiNapoli. I informed Mr. DiNapoli of the issues we have been faced with in regards to receiving our money we were guaranteed as a result of our Arbitration Award dated March 21, 2006. Mr. DiNapoli was very sympathetic of our issues and the delays we have experienced prior to his appointment as NYS Comptroller.

I was informed that Mr. DiNapoli and his staff are ready to move forward to implement the inconvenience pay as soon as they receive the Paybill.

As more information becomes available I will continue to post it on the NYSCOPBA website.

Thank you.
