**STATEMENT FROM THE DEPARTMENT OF CIVIL SERVICE
REGARDING EXAMINATION NO. 35-084**

During the June 16, 2007 administration of Examination No. 35-084, Correction Lieutenant, the Department of Civil Service became aware of a problem with the simulation answer sheet packets. In fairness to all candidates, administration of the simulation portion of the examination was stopped.

The Department remains committed to the administration of a fair and equitable examination process leading to timely establishment of the eligible list. Critical incident reports from all test centers are being reviewed internally to determine the appropriate corrective action. In light of the urgency of the circumstances presented, this review is being expedited. As soon as this review is complete, the Department will notify candidates directly. Candidates are requested to retain their study guide for future use.

The current list for Correction Lieutenant, which is scheduled to expire on September 10, 2007, will be extended until a new list is ready to be established.
