CONTRACT UPDATE

9/21/07

NYSCOPBA met with the GOER (Governor's Office of Employee Relations) on September 20 & September 21, 2007 to exchange and clarify any questions on both NYSCOPBA's and GOER's proposals.

Now that the negotiation process has begun, we are committed to keep moving forward.

NYSCOPBA will continue to keep the members informed along the way with as much information as possible without violating the ground rules, which clearly state that negotiations will be done privately (2007 ground rules posted on website 7/27/07).

Thanks

L. Flanagan, Jr.
