## INTEREST ARBITRATION UPDATE

The Chairman of the Interest Arbitration Panel, Jeffrey Selchick, has scheduled a conference for October 14, 2008 that will be attended by the panel members and representatives of NYSCOPBA and the State. The purpose of the conference is to discuss the schedule for the arbitration hearings and to address various administrative and procedural matters. Once the conference is concluded, we will advise you of the scheduled hearing dates.

We appreciate the patience of the membership as we progress through these necessary steps in the process.

In Unity,

Donn Rowe  
President
