**Re: Retirees Arbitration Award Update**

Please be advised that NYSCOPBA has received an estimated schedule for recalculations on your retirement pension. An estimated figure of 350 retired members will be processed each month. The whole process should take approximately five months to complete. Obviously, they will begin with those members who retired after 4/1/07 and then work their way up to the current date.

Once again, the Comptroller's Office has assured NYSCOPBA that the recalculations will be done automatically.
