Arbitration Award Update

7/29/2009

NYSCOPBA Arbitration Eligible Members:

We are happy to announce that the NYS Comptroller has advised us that they have selected TENTATIVE payment dates for arbitration award raises and retroactive payments.

The Comptroller's Director of Labor Affairs states in an email to President Rowe:

"Barring any unforeseen circumstances, the raise will be reflected in the October 8 (Institutional) and October 14 (Administration) paychecks.

The payment will include all retroactive salary adjustments, but will NOT include the military stipend adjustments (these adjustments will be reflected in a subsequent paycheck).

Also, the dues increase will be reflected in these paychecks."

We will keep you informed if there are any changes to this payment schedule.

In Unity,

Donn Rowe,
NYSCOPBA President

Chris Hickey,
Executive Vice President
