Informational Picket

Wednesday May 20th

10am - ??

On this date, Woodbourne C.F. has been directed to send
“Brian Fischer’s Traveling Circus”
to put on a Theater Performance in the
Eastern C.F. auditorium.

This performance is on a Wednesday, the day designated by the State as a non-transportation day for inmates. Our Hub-Transportation officers are denied transporting inmates to other facilities for transfers on Wednesday’s, to “save on expenses” but the cost of transporting them for a “field day” is apparently not a cost constraint!

We are asking for all available
N.Y.S.C.O.P.B.A. Members to join us in an
Informational Picket.
