RE: Empire Plan/Lab Corp Facility in Glens Falls, NY

Please notify your members that a LabCorp facility has been opened at 2 Broad Street Plaza in Glens Falls for members covered under the Empire Plan. United HealthCare is responsible for these charges and will assess a \$20.00 copay.

The laboratory at Glens Falls Hospital also participates with United HealthCare; however, if a member physically goes to that lab to have their tests done, Blue Cross is responsible for the charges and the member will be charged a \$35.00 copay. Only when lab specimens are mailed to the Glens Falls Hospital lab from a provider will United HealthCare be responsible for the charges and a \$20.00 copay be applied.

Should you have any questions, feel free to contact me.
