Dear Sir or Madam:

We are happy to announce the first annual Marianna "Hollywood" Ronca golf tournament, which will be held Monday, May 21st, 2007 at the Port Jervis Golf and Country Club.

The Marianna "Hollywood" Ronca foundation was founded in 2005, named in memory of Marianna Ronca, a 2005 Port Jervis High School graduate, who while on the way to work, was involved in a tragic auto accident on rt. 211 W. in the town of Deerpark, that took her life at 18 years of age. Marianna, whose spirit and smile brought happiness to all around her, and whose drive has instilled itself in the foundation that carries her name, is remembered and honored through this Scholarship.

The foundation's mission is to carry on the spirit and up beat attitude of Marianna, in the form of a scholarship that has traditionally been awarded to the graduating student from Port Jervis High School who possesses the biggest heart and the brightest smile, both traits that Marianna exhibited throughout her lifetime. We want to recognize that quality in our High School graduates and give them a helping hand while entering into their first year of college.

We are writing this with the hope that you will generously make any contribution to the upcoming Golf Tournament, that you deem appropriate. Whether it be in the form of a golf hole sponsorship, a cash donation, a donation of goods or services, or simply by playing in the tournament. All donations made would be greatly appreciated by the foundation, and the future recipients of the Marianna "Hollywood" Ronca Scholarship.

Please contact us at the above address and or phone number with any questions. We appreciate your kindness in advance.

Sincerely,

Peter and Eva Ronca
