RE: Legislative Update
DATE: March 8, 2011

Assemblywoman Janet Duprey has notified us that there is a possibility that she will be sitting on the Governor's task force for facility closures.

Chris Hansen and I will be meeting with her on Thursday, March 10, 2011 to discuss the issue to be sure that she has all of the essential data necessary to make our best argument.

We have met with all of the local Legislators on a regular basis and will continue to do so to ensure that they carry our arguments against the double bunking issues and prison closures to the floor of the Senate and Assembly.

If you have any questions, feel free to contact me at (315) 244-1483.
