NYSCOPBA's thoughts and prayers go out to the entire law enforcement community in Dallas, especially the families of the officers who lost their lives or were injured during the shooting last night.

The law enforcement community across the country faces many challenges in today's society, and I ask you to stay vigilant as you perform one of the most difficult and dangerous jobs in the country.

As we have personally seen one of our members targeted and seriously hurt, there are some in this country who are anti-police and prefer to be divisive. I would like to remind you that the overwhelming majority of citizens recognize the difficult job you do on a daily basis.

We perform our jobs with little fanfare and under intense scrutiny, but you continue to serve with professionalism and integrity.

I personally would like to thank you for the job you perform and ask you to keep the Dallas Police Department and the Dallas Area Rapid Transit in your prayers.

Fraternally,
President Michael B. Powers
