

## **NYSCOPBA Get Out The Vote (GOTV) Volunteers Needed!**

This year's election season is coming to a rapid close with Election Day one week away. The presidential election is dominating the airways and clogging up our news feeds, but in New York State every one of the 213 state legislative districts are up for election too. The results of various races across the state could have a significant impact on NYSCOPBA's legislative agenda.

NYSCOPBA is calling on members to volunteer a few hours of your time and support the candidates who have supported YOU over the years. If you are interested in volunteering please contact any one of the campaigns directly or contact NYSCOPBA's Legislative Director Dan Valente at 518-427-1551 ext. 306.
