

2nd Annual Clinton Frozen-Brains Comradery Cup

Sponsored by NYSCOPBA

The event will be Friday, March 3th and Saturday, March 4th 2017 @ Ameri-Can North Sports Center, Plattsburgh NY. First game will be Friday the 3rd at 4:30pm. The nonprofit charity we have chosen is **The National Multiple Sclerosis Society**. Multiple Sclerosis is a disease in which the immune system eats away at the protective covering of nerves which currently has no cure. There will be raffles of all kinds throughout the two-day event (which you do not have to be present to win), along with a donation box for anyone wishing to donate to the cause. Saturday night following the event there will be a gathering at the Plattsburgh Brewing Company located at the Comfort Inn & Suites as a thank you to everyone involved in this great cause.

Again!! every team must provide the \$500 entry fee before partaking in the tournament, this will cover ice times, officials, and small donation to charity. Rules, game times, and locations will be on the following page.
