MOTION SHEET

Motion:

To move the committee meetings back to NYSCOPBA Main Office instead of meeting the morning of the Executive Assembly. The Executive Assembly schedule will return to the original schedule with the meeting commencing on the first day at 9:00am. This also to include the two (2) days of EOL Time.

Wisdom: If there is not substantiated cost savings to the Association by having the committees meet on the first morning of the Executive Assembly, the Executive Assembly schedule should be restored to meeting a full day on the first day.

MOTION SHEET

Motion:

I move that NYSCOPBA file litigation so that all members receive state time to take any promotional exam.

Wisdom: Currently tour 3 is not given state time to take promotional tests. If CAYSA training is always state time for all tours, then all state exams should be as well.

NYSCOPBA will send (via email), copies of all motions made at all EA's to all stewards whom the union has email addresses for. This will be done within 14 days of the end of the EA

Wisdom: This will aid stewards to best inform the dues paying members of what & how things are being done. It's just plain transparency

MOTION SHEET

Motion:

NYSCOPBA shall not allow any contract book to be printed that doesn't have all zeroes of the contract clearly defined within its pages

Wisdom: 1. In our last contract there were 13 zeros 3 zeros to salary, 5 zeros to expanded duty pay, 5 zeros to location pay. None of which were in the contract book. 2. Art. 11.12 speaks of retroactive medical costs, but doesn't state how the amount will be formed. Going from paying 25% then the give back of the 6% 3. It's just plain transparency
