RE: Westchester Medical Center Health Network Back In Empire Plan's
Participating Providers' Network Effective June 1, 2019

As I reported at the Executive Assembly meeting, an agreement has been reached between Blue Cross/Blue Shield and Westchester Medical Center Health Network (including Westchester Medical Center, Mid-Hudson Regional Hospital, Good Samaritan Hospital, Mercy Community Hospital and St. Anthony's Hospital) effective June 1, 2019 (the original termination date). A three year agreement was reached.

Members who received services after the June 1st termination date need do nothing; those claims will be processed in-network.

Should you have any questions, contact me.
