RE: Health Care Spending Account for 2020 Now Includes a  
Carryover Provision

NYSCOPBA has been notified that members participating in the Health Care Spending Account for 2020 will be able to carry over up to \$500 of monies remaining in their 2020 Health Care Spending Account towards eligible expenses incurred during the 2021 calendar year. This gives some relief to members who were unable to spend monies set aside for healthcare costs due to COVID-related closures and restrictions. Members participating in the 2020 program were notified of this carryover provision.

Members with questions can email [fsa@goer.ny.gov](mailto:fsa@goer.ny.gov) or call WageWorks/ Health Equity at 1-800-358-7202.
