Brothers and Sisters:

On behalf of our entire membership, the Executive Board has been requesting that DOCCS and NYS Agencies work with NYSCOPBA in an effort to develop a plan that would allow for our members that wish to receive a COVID-19 vaccination to be vaccinated at your local facility. From our perspective, based upon the sheer number of our members and the various locations where they live, creating a plan that would allow for vaccination at our worksites makes the most sense. At this point it is unclear whether this plan will come to fruition despite our repeated requests. Therefore, the Executive Board is suggesting that all members who wish to be vaccinated utilize the attached link to begin the process of signing up for a vaccination. If the Department and Agencies adhere to our request and agree to work with us to develop the plan explained above, we will let the membership know.
